Jobs & Hope West Virginia is the state's comprehensive response to the Substance Use Disorder Crisis.

Established by Gov. Jim Justice and the West Virginia Legislature, this program offers support through a statewide collaboration of agencies that provides linked services to participants in seven different regions.

At the heart of Jobs & Hope is a vision of providing West Virginians in recovery the opportunity to overcome obstacles that prevent establishing career success, and strong family and community ties.

¹ Employed as a result of Jobs & Hope WV

² Participant has removed barriers, received training, and achieved and maintained career employment

³ This was calculated by using salary information from current career employed participants and graduates. Career employed is defined as employment within the participants chosen field which may include full time, above minimum wage, employment with the option of health and retirement benefits and/or career advancement opportunities.

⁴ Average amount of benefits for West Virginia household is \$323/month
